Goals for 2013

- Foster a positive school community where staff, students and parents support each other in our “core values” that underpin our shared vision of teaching & learning at Holy Family.
- For staff to engage in understanding and implementing the Australian Curriculum to further enhance teaching & learning in our school community.
- For staff to support each other in using and implementing the new Religious Education curriculum.
- To effectively plan and embed ICT within teaching & learning.

Priority 1: Mission and Religious Education

**Intent for 2013**

- Before the school year begins, our Leadership Team will prepare a professional development program for the whole staff to actively experience the importance of believing in our core values and sharing positive faith experiences as we plan our new initiatives for 2013, away as a whole staff.
- Our staff along with parents will provide a number of opportunities for our community to pray and celebrate together.
- Staff will be encouraged to engage with the Religious Education portal in preparation for the new Religious Education Curriculum for 2013.
- A Religious Education Team will be developed to lead our staff engagement with the new Religious Education Curriculum.
- Social Justice and Action will continue to be a hallmark of Holy Family during 2013, led by staff and Year 7 Student Leaders.

Priority 2: Learning and Teaching

**Intent for 2013**

- To engage the support of Brisbane Catholic Education consultants with our staff planning during the Jan Pupil Free Days & the beginning of each term.
- Leadership Team to plan the effective use of staff resources to meet the growing needs of diverse learners in our school.
- Continue staff engagement with BCE LIFE Learning Management System and other ICT professional development. Review and prepare for the introduction of a future effective “one to one” laptop program.
- Maintain emphasis on programs from last year including English, Mathematics, Science & History Curriculum and supporting the diverse needs of children with learning support.

Priority 3: Professional Practice and Collaborative Relationships

**Intent for 2013**

- Leadership Team to share at whole staff Jan Professional Development and other opportunities throughout the year, the importance of our Core Values driving our work culture and support for one another.
- Access quality professional development to meet our needs to support teaching & learning with the Australian Curriculum and Religious Education Curriculum.
- Teachers be introduced to professional development on professional standards and be required to submit individual goals for the year.
- A new Pastoral School Board to be formed early in 2013 so that the vision and goals of our school are directed.

Priority 4: Strategic Resourcing

**Intent for 2013**

- Staff involved in prioritising funds to support school goals and their own goals for student learning.
- Budgeting process to support major maintenance as well as developing new ideas for suggested modifications to learning environments.
- Investigate further the importance of link between enhanced pedagogical practice that is data informed with planning and strategic management and use of valid information—especially student learning and assessment.
- Plan for External Review for late in 2013.
