

Safeguarding Plan 2026

Holy Family Primary School

Version: V1

Last updated: 25th June 2026

Our Safeguarding Commitment

As an agency of the Archdiocese of Brisbane, we have a zero tolerance for all forms of abuse and are committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

Accessibility

Brisbane Catholic Education is committed to providing accessible services to people from all culturally and linguistically diverse backgrounds. If you have difficulty understanding this document, you can contact Translating and Interpreting Service National on 13 14 50 to arrange for an interpreter to translate it for you.

Acknowledgement of Country

We acknowledge the First Peoples that we learn from the Yuggera and Turrbal Peoples and thank the elders past and present for sharing the ancient wisdom of their ancestors.

We continue to be enriched by their knowledge and connection to Country.

Introduction

Because wherever a child or vulnerable person is safe, there you serve and honour Christ.

Pope Francis written address to the Pontifical Commission for the Protection of Minors' plenary assembly in Rome March 24-28, 2025.

Holy Family Primary School, Indooroopilly, is committed to creating environments where children and young people feel protected, valued, and heard. Safeguarding is a shared responsibility, and every child has the right to grow and thrive free from harm.

We are guided by our Christian Catholic Tradition and the teachings of Jesus Christ who advocated for the protection of children and the marginalised. Our mission to teach, challenge and transform through our educational endeavours is actioned by Catholic Social Teaching, as part of the Archdiocese of Brisbane.

The Queensland Government recently introduced new Child Safe Standards. These Standards clearly outline what child safe organisations must do to create environments where children are protected, respected and able to speak up. They focus on building safe, welcoming cultures, hearing and valuing children's voices, working closely with families, celebrating diversity, making sure the right people work with children, responding quickly to concerns, and always looking for ways to improve safety.

Throughout 2026, our school will review its compliance against the new Child Safe Standards using a phased approach in line with Queensland Family and Child Commission guidelines. We will review, self-assess and report against selected Standards each term, building towards full implementation and continuous improvement across all Standards by the end of the year. This staged process allows Holy Family Primary School to embed the Standards meaningfully and ensure our practices reflect the needs, voices and safety of our students.

As a Catholic school within the Archdiocese of Brisbane, we honour the Archdiocesan Safeguarding Commitment and uphold the values of Catholic education in our safeguarding practices.

This School Safeguarding Plan is developed in consultation with students, families, and employees, and is contextualised to our local school environment. It reflects our commitment to continuous improvement, cultural safety, and child-centred practice, and is supported by both Brisbane Catholic Education policies and procedures and school-specific safeguarding actions. Further Information about BCE wide practices can be accessed [here](#).

For more information or to request accessible formats, please contact the school Principal.

The Archdiocese has zero tolerance for all forms of abuse and is committed to safeguarding everyone involved in its activities, ministries, and services. The safety and wellbeing of children and adults-at-risk is paramount.

The Child Safe Standards

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture.

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously.

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing.

Standard 4: Equity and diversity

Equity is upheld and diverse needs respected in policy and practice.

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice.

Standard 6: Complaints management

Processes to respond to complaints and concerns are child-focused.

Standard 7: Knowledge and skills

Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training.

Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed.

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved.

Standard 10: Policies and procedures

Policies and procedures document how the entity is safe for children.

Universal Principle

Requires child safe entities to provide an environment that promotes and upholds the right to cultural safety.

Safeguarding Focus Areas

The 10 standards are grouped under four key focus areas:

The Universal Principle

Ensuring cultural safety through the Universal Principle is essential for Aboriginal and Torres Strait Islander students and families.

While the Principle intentionally focuses on First Nations children, the cultural safety indicators which make up the Principle are designed to adopt a proactive and comprehensive approach to safeguarding, ensuring that policies, and practices are inclusive for all children, particularly those who may be marginalised or vulnerable. The Universal Principle is embedded within all 10 Standards.

Cultural Safety Indicators

- 1 Transformational unlearning** – Organisations must challenge unconscious bias, racism, and discrimination within their structures and workforce.
- 2 Negotiating values, motivations, and paradigm** – Policies and programs should be co-designed with Aboriginal and Torres Strait Islander communities to reflect their perspectives on child safety.
- 3 Prioritising social and emotional wellbeing and health** – A holistic, strengths-based approach must be adopted to support the wellbeing of Aboriginal and Torres Strait Islander children, staff, and families.
- 4 Sharing power and decision-making** – Decision-making processes should be led or co-led by Aboriginal and Torres Strait Islander peoples to ensure genuine partnerships.
- 5 Sharing resources** – Organisations should dedicate resources to Aboriginal and Torres Strait Islander led initiatives, research, and governance mechanisms, where appropriate.
- 6 Creating a strategic enabling environment** – Leadership must set clear priorities and accountability structures ensure cultural safety into daily operations.
- 7 Operating on Aboriginal and Torres Strait Islander terms of reference** – Service delivery to Aboriginal and Torres Strait Islander children should be grounded in Aboriginal and Torres Strait Islander knowledge systems and self-determination principles.
- 8 Accountability and continuous quality improvement** – Progress should be measured using Aboriginal and Torres Strait Islander-defined success indicators, ensuring sustained improvement.

The Cultural Capability Framework

This framework enables Brisbane Catholic Education to develop a workforce grounded in Aboriginal and Torres Strait Islander cultural humility, enabling responsive and innovative practices that contribute to Reconciliation. The Cultural Capability Framework and Molum Sabe assists our workforce to critically reflect on individual and organisational practices and develop effective practices across four cultural standards:

Teaching

Culturally responsive teachers and education professionals create the conditions for respectful relationships with Aboriginal and Torres Strait Islander peoples, and learning of knowledges, identities, cultures and languages.

Relationships

We develop relationships and connections with Aboriginal and Torres Strait Islander employees, students, families and communities to build and sustain inclusive and culturally safe practices and environments.

Environment

We establish an inclusive and culturally safe environment, where Aboriginal and Torres Strait Islander employees, students, families and communities feel a sense of belonging and connection.

Leadership

All employees are accountable for building and sustaining inclusive and culturally safe practices and environments with Aboriginal and Torres Strait Islander employees, students, families, and communities. Leaders have additional responsibilities to articulate a clear vision and provide ongoing cultural capability development opportunities for employees.

Standard 1: Leadership and Culture

Child safety and wellbeing is embedded in the entity's organisational leadership, governance, and culture¹

Brisbane Catholic Education's commitment to Standard 1

At BCE, student safety is central to how we plan, think and act, shaping a safeguarding culture that protects their safety and wellbeing. We use a whole of organisation approach; led by strong leadership, embedded in practice and supported through shared responsibility. Clear policies, codes of conduct, Student Protection Processes and risk management plans set behavioural expectations and guide how we keep children safe. Our Safeguarding Policy aligns with the Archdiocese of Brisbane Safeguarding Framework and is available on our website. Leaders are accountable for ensuring these requirements are followed and continually improved. Safeguarding is a system critical foundation of the BCE Strategic Plan 2025–2027 and an identified enterprise risk, monitored through regular monitoring, internal audits and escalation pathways. Governance transparency is reinforced through quarterly reporting to the BCE Executive Team, Safeguarding Committee and Catholic Education Council, including assessments of practice effectiveness and improvement progress. We take a strong stand against discrimination, bias or harm toward any child and are committed to cultural safety for Aboriginal and Torres Strait Islander peoples.

What Standard 1 looks like at our school:

- Our College website landing page and Principal's message promote our school as a welcoming and inclusive community, grounded in Catholic values yet welcoming to families of all backgrounds.
- The Archdiocese of Brisbane Safeguarding Commitment is displayed in the school reception. This ensures students and the wider community are regularly reminded that their safety and wellbeing are central to everything we do at Holy Family.
- The importance of Child Safeguarding is promoted at Whole School Assemblies and key events at the school including Day for Daniel activities; Child Protection Week Activities; Harmony Day and our promotion of SPC's.
- The school leadership team is committed to a presence at the gate or on lunch time duties to welcome families and ensure students know that Holy Family staff are available and approachable.
- Before every school event, excursion, incursion, we complete a risk assessment which specifically includes considerations about students' safety and wellbeing relevant to the activity such as supervision ratios, student privacy, transport arrangements, and consent for photos or recordings.

¹ Alignment with National Catholic Safeguarding Standard (NCSS): Standard 1: Committed Leadership Governance and Culture | Working with Children (Risk Management and Screening) Regulation 2020 (Qld), Schedule 1, Section 2(1), (2)(a) and (2)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 6 (1), (2) and s9 (e)

Standard 2: Voice of children

Children are informed about their rights, participate in decisions affecting them and are taken seriously²

Brisbane Catholic Education's commitment to Standard 2

We strive to create a culture where every child feels safe, heard and confident to share their ideas or concerns. Our employees and volunteers are supported to engage respectfully with students, listen carefully, and respond to their immediate needs. BCE's school safeguarding storybooks and animation series help explain our policies, processes and key safeguarding concepts to students in age appropriate ways. We also support schools to deliver Consent and Respectful Relationships Education so students understand their rights, identify trusted adults, and build positive, healthy and respectful relationships. Each year, students across all BCE schools are invited to share their views through the *Tell Them From Me* survey. This feedback helps us understand how students are feeling, their concerns and how we can strengthen safety and support in our schools. Our Student Voice Program gives students a platform to contribute to BCE wide decisions affecting their safety, wellbeing and learning. Our Archdiocesan First Nations Student Representative Council and our Aboriginal and Torres Strait Islander Education Team help co-design culturally safe policies and practices.

What Standard 2 looks like at our school:

- The teaching of consent, respectful relationships, and protective behaviours is evident in curriculum planning across all year levels.
- The school provides a number of opportunities outside of classroom teaching where students are able to understand consent and protective behaviours (Get Grit, Bullying, No Way Day, Daniel Morcombe Day, Child Protection Week, Library Resources – Emotional Regulation books, Rock and Water program, Friendology program and Emotional Regulation Workshops with the Guidance Counsellor).
- A regular agenda item at whole school assemblies is the reminders of our Student Protection Contacts at the school.
- All Holy Family students are considered leaders, however we encourage our Year 5's and 6's to take on active leadership roles by presenting short information sessions at our weekly assembly about wellbeing and safety topics – this could be in the form of a skit or presentation to keep all students engaged.
- Regular reviews of Engage data and Power BI data at Leadership meetings identifies areas of need.
- Holy Family school signage, playground design and common areas visually reinforce student safety and belonging. Our posters that are up around the school explain student rights, expected behaviours and where to get help using child-friendly language and images.
- The importance of respectful relationships is promoted through our restorative conversations following behavioural issues, allowing the person who caused harm to take responsibility and reflect on their behaviour, while also giving the person who was affected an opportunity to express how they feel and what they need moving forward.
- Holy Family's PATH to Excellence Everyday posters provide regular reminders to students to stand up for self and others, invite others to play / join and listen attentively to others and their opinions.

² Alignment with National Catholic Safeguarding Standards: Standard 2 Children and Adults Are Safe, Informed and Participate | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8) (a) (ii) | Education (Accreditation of Non-state schools) Regulation (Qld) 2017 s 16(4) (a)–(b)

Standard 3: Family and community

Families and communities are informed and involved in promoting child safety and wellbeing³

Brisbane Catholic Education's commitment to Standard 3

Student safety, wellbeing and learning are best supported when families and schools work together and share responsibility for protecting students. At BCE, we believe informed and engaged families and communities are essential to creating safe learning environments. We support schools to partner with families in ways that are consistent, respectful, culturally safe and shaped by local needs. We also make sure families and community members have clear, accessible information about our safeguarding approach and how to raise concerns. Each year, parents and caregivers share their perspectives through the *Tell Them From Me* Parent Survey. This feedback helps BCE understand family experiences and concerns, guiding improvements that make our schools safer and more supportive for students.

What Standard 3 looks like at our school:

- At Holy Family, families are actively invited to participate in planning and decision-making processes that affect their child. This includes involvement in personalised learning plans, behaviour support planning, re-entry meetings following absence, and safety or wellbeing planning where required.
- Parents are informed about our safeguarding expectations through newsletters, assemblies, email communication and the Parent Welcome Evening. Holy Family creates regular, informal opportunities for connection with families through community events such as BBQs, welcome evenings, community mornings and classroom open mornings. Student safety, wellbeing and cultural safety are woven into these moments through conversation, check-ins, visibility of leadership, and shared expectations, rather than being addressed only through formal policy documents.
- Access to information, resources or tools that support families to understand our approach to student safety and wellbeing can be accessed via the website and newsletters.
- In practice, cultural safety at Holy Family is visible in everyday school routines and spaces: families can see their cultures and languages respectfully represented; staff use warm, plain language and offer yarning style conversations; cultural protocols are followed (e.g. Acknowledgement of Country and inviting guidance from local community); racism is treated as a student safety and wellbeing issue with clear, trusted pathways to raise concerns; and families are told what will happen next and who will be involved, so they feel welcomed, affirmed and confident to engage.
- At Holy Family, when behavioural incidents are escalating and a student's needs may be linked to ADHD, trauma or other wellbeing factors, the school responds through a consistent, school-wide approach. The school relationship-based support, led by a stable team (Principal, Guidance Counsellor, classroom teacher, and Student Protection Contact), meets regularly with the family to listen to the child's story and family context and to review supports over time. Where appropriate, students are supported to attend parts of meetings and adults clearly explain what is happening, why decisions are being made and what supports are being put in place, ensuring the student is not talked about without being considered. Together with families, staff adjust routines, expectations and learning environments. The focus shifts from "what's wrong" to "what does this child need right now to feel safe and regulated at school".

³ Alignment with National Catholic Safeguarding Standards: Standard 3 Partnering With Families Carers And Communities | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8) (a) (ii) | Education (Accreditation of Non-state schools) Regulation (Qld) 2017 s 16(4) (a)–(b)

Standard 4: Equity and diversity

Equity is upheld and diverse needs respected in policy and practice⁴

Brisbane Catholic Education's commitment to Standard 4

Every student deserves to flourish and has the right to learn in a safe, supportive and inclusive environment, free from discrimination, bullying and harassment. BCE supports all students, regardless of background, identity or ability, to access and fully participate in their learning. We embed equity at the heart of our culture through the Student Diversity and Inclusion Policy, the Student Wellbeing Policy and the Queensland Catholic Education Council's Inclusive Practice in Catholic Schools. We expect school practices to reflect each child's circumstances and needs, and to prioritise culturally safe, trauma informed approaches in planning, communication and engagement. The Engage Student Support System and the Multi Tiered System of Supports (MTSS) help schools provide a student centred, comprehensive continuum of support. These systems enable collaborative, targeted and personalised assistance for diverse learners. We also provide children with opportunities to learn about different cultures, people and communities through the Aboriginal and Torres Strait Islander Histories and Cultures Cross Curriculum Priority and the Australian Curriculum.

What Standard 4 looks like at our school:

- Holy Family staff are committed to considering each student's unique circumstances before addressing issues related to behaviour, learning, or wellbeing. When needed, routines, expectations, and supports are changed to match what the student is experiencing instead of applying a uniform approach. These modifications are noted in the student's individual support plan (if applicable), which is routinely reviewed with everyone involved: the student (in an age-appropriate way), their family, and any additional supports, including external agencies if parents provide consent. By considering these factors, we can address each child's needs effectively and reinforce our commitment to a strong, individualised, trauma-informed approach.
- Staff at Holy Family have participated and will continue to participate in ongoing professional learning focused on trauma aware education through Berry Street.
- At Holy Family, students are regularly reminded of who they can talk to if they feel worried or unsafe. This happens through classroom discussions, assemblies, visual resources and informal conversations, rather than being limited to induction or one-off lessons.
- As a staff group we do the required Student Protection Refresher Training modules each term and then use the activities to reflect as a team how we will embed the learnings from that term's module.
- At Holy Family, our school leadership team regularly review student protection, behaviour, wellbeing and attendance data to identify patterns and trends for student cohorts impacted by harmful behaviour. This includes reflecting on incident and process learnings and identifying strategies to reduce the likelihood of recurrence and minimise the impact of harm.
- At Holy Family, school leaders recognise that for Aboriginal and Torres Strait Islander children, feeling safe to raise concerns depends on relationships, clarity and visible signals of cultural safety, not just formal processes.
- Holy Family recognises that some students experience additional barriers to feeling safe, included and heard, and they take deliberate steps to respond to this in our operations and everyday practice. This includes recognising that children may experience overlapping identities and layered experiences and responding in ways that are supportive culturally safe, inclusive and trauma-informed, tailored to the student and their individual context.

⁴ Alignment with National Catholic Safeguarding Standards: Standard 4 Equity Is Promoted And Diversity Is Respected | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(3) (a) (ii) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 11, s 15 (a)

Standard 5: People

People working with children are suitable and supported to reflect child safety and wellbeing values in practice⁵

Brisbane Catholic Education's commitment to Standard 5

BCE supports schools to ensure that everyone working or volunteering with students is suitable, safe and capable of upholding child safety and wellbeing. Our recruitment and screening processes embed safeguarding at every stage, from role design and advertising through to interviews, reference checks, onboarding and performance development. The Employee and Volunteer Screening Procedure includes a role risk matrix, Blue Card screening requirements and clearly defined responsibilities. These help leaders identify potential risks to student safety and wellbeing and respond appropriately. BCE's Human Resource Information System, Ignite, operationalises these procedures and helps employees monitor and maintain their safeguarding screening requirements. Our Procurement Procedure requires all external providers engaging with BCE offices or schools to be child safe and compliant with relevant legislation. The Risk Management Framework guides how we monitor safeguarding practices in schools through established quality control mechanisms. These processes ensure schools can safely engage employees, volunteers and third parties, with appropriate oversight, training and supervision in place before any child related work occurs.

What Standard 5 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

- How we screen and onboard employees, volunteers and third parties
- How we ensure safe supervision and conduct
- How we apply BCE recruitment and HR procedures for employees and volunteers
- How we track and keep safeguarding screening requirements current
- Evidence of practice and planned improvements

⁵ Alignment with National Catholic Safeguarding Standards: Standard 5 Robust Human Resource Management | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 15 (b)

Standard 6: Complaints management

Processes to respond to complaints and concerns are child focused⁶

Brisbane Catholic Education's commitment to Standard 6

BCE fosters a culture where concerns about safety and wellbeing can be raised openly, respectfully and without fear. We support child focused complaint pathways that are accessible to students, families, employees and community members. Our policies and procedures outline reporting requirements, cooperation with authorities, and expectations for timely and safe responses to concerns. From 1 July 2026, BCE will implement Queensland's Reportable Conduct Scheme. This means BCE will report any reportable allegation or conviction, conduct investigations, provide interim and final reports to the Queensland Family and Child Commission, and immediately notify police of any suspected criminal conduct within required timeframes. BCE provides guidance and training to ensure complaints are handled in trauma informed and culturally safe ways, supported by Aboriginal and Torres Strait Islander Participation Officers and expertise from safeguarding, student protection, legal, wellbeing, school operations and program teams, and employee relations and investigations teams. System wide improvements are strengthening complaint handling processes, creating clearer pathways and embedding safeguarding expertise across the framework. These structures help schools respond to concerns with transparency, sensitivity and procedural fairness.

What Standard 6 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

- How students and families can raise concerns
- How the school ensures child-focused, trauma-informed responses
- How complaints are recorded, managed and escalated and resolved
- How the school implements the Reportable Conduct Scheme
- Evidence of practice and planned improvements

⁶ Alignment with National Catholic Safeguarding Standards: Standard 6 Effective Complaints Management | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2 (4) (b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s7 | Child Safe Organisations Act (Qld) Chapter 3

Standard 7: Knowledge and skills

Staff and volunteers of the entity are equipped with the knowledge, skills, and awareness to keep children safe through ongoing education and training⁷

Brisbane Catholic Education's commitment to Standard 7

BCE builds a confident, capable and culturally aware workforce committed to children's safety and wellbeing. Our Mandatory Safeguarding Training Framework sets clear onboarding and refresher requirements for all employees. Every year, BCE employees complete online student protection training covering indicators of child harm, grooming behaviours, how to respond to disclosures and mandatory reporting requirements. School staff also participate in additional face to face training each term on topics related to student safety and wellbeing. Staff who serve as Student Protection Contacts (SPCs) receive advanced training in managing disclosures and supporting colleagues to keep students safe. Volunteers and third party providers complete mandatory safeguarding onboarding before commencing any child related work, along with annual refreshers recorded in school registers in line with the Volunteer Policy and Procedure and Third Party Safeguarding Guidelines. BCE has developed a Cultural Learning Plan and Cultural Capability Framework to strengthen cultural competency and responsiveness, promote cultural safety and BCE's Ngutana-Lui Centre provides curriculum-aligned cultural learning for students and staff. All employee training is tracked through BCE's Learning Management System (iLearn), which issues automated reminders and provides compliance reports to managers.

What Standard 7 looks like at our school:

In line with our implementation plan, at the end of Term 4 we will explain:

- How employees, volunteers and third parties complete required safeguarding training
- How the school reinforces safeguarding practice throughout the year
- How cultural capability is embedded in training
- How the school monitors and supports employees and volunteers to undertake mandatory training
- Evidence of practice and planned improvements

⁷ Alignment with National Catholic Safeguarding Standards: Standard 7 Ongoing Education and Training | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(8)(b) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s16, 4 (c)

Standard 8: Physical and online environments

Physical and online environments promote safety and wellbeing and minimise the opportunity for children to be harmed⁸

Brisbane Catholic Education's commitment to Standard 8

BCE is committed to creating healthy, safe and productive physical and online environments that support student wellbeing, prevent harm and safeguard everyone involved in our activities. We take a holistic, strengths-based approach that recognises all dimensions of a child's wellbeing – physical, social, spiritual, emotional and cultural. Building plans are reviewed with a focus on environmental risks that may affect children's safety. The BCE Health, Safety and Wellbeing (HSW) Policy and BCE Safeguarding Guidelines for School Design provide practical guidance to build safe, inclusive spaces with strong visibility, supervision and access control. To support online safety, BCE aligns with the eSafety Commissioner's Best Practice Framework and delivers the Australian Curriculum for Online Safety (P-10). The Acceptable Use of Devices and Digital Resources agreement promotes safe digital behaviour and is supported by content filters and monitoring tools. Policies such as the Employee Code of Conduct, IT Acceptable Use Policy and Privacy Policy outline expectations for safe online behaviour. BCE provides guidance to help schools maintain safe digital environments, and student safety considerations are embedded in risk assessments, school risk registers and organisation wide risk management processes.

What Standard 8 looks like at our school:

In line with our implementation plan, at the end of Term 3 we will explain:

- How physical spaces are designed and supervised for safety
- How the school promotes online safety for students
- How employees' model safe digital behaviours
- How both physical or online environmental risks are assessed and managed
- Evidence of practice and planned improvements

⁸ Alignment with National Catholic Safeguarding Standards: Standard 8 Safe Physical And Online Environments | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s 18 (1) s19

Standard 9: Continuous improvement

Implementation of the Child Safe Standards is regularly reviewed and improved⁹

Brisbane Catholic Education's commitment to Standard 9

BCE is committed to continual review, learning and strengthening of safeguarding practice across both system and school levels. Ongoing improvement ensures our policies, frameworks and practices evolve in response to emerging issues, data and feedback, and remain effective in preventing harm and promoting wellbeing. System wide reviews are carried out by the Assurance Team, Risk and Compliance Team and through school accreditation processes. These reviews assess the effectiveness of safeguarding measures and identify opportunities to strengthen practice. Critical incidents also trigger structured post incident reviews to identify risks, evaluate responses and enhance wellbeing supports for students and employees. Governance committees, including Safeguarding, Risk and Assurance, and People and Safety, monitor trends and support system wide improvements. Schools are supported to monitor their own safeguarding indicators, such as Blue Card compliance, attendance, bullying and wellbeing data, enabling a local cycle of review, reflection and continuous improvement.

What Standard 9 looks like at our school:

- Holy Family is currently self-assessing against the Child Safe Standards (including the Universal Principle). This involves consulting with key stakeholders, reviewing our school's relevant safeguarding data and reflecting on our safeguarding strengths, as well as areas for improvement.
- Staff and students provide feedback on how well child safety procedures are working in real-time. This helps us identify areas needing improvement and implement changes quickly and transparently.
- Principal includes information in the school community newsletter about how the school is progressing towards their Annual Improvement Plan Goals including a strong focus on creating an inclusive and supportive community.
- Holy Family, in our Annual Improvement Plan have prioritized Multi-Tiered Support Systems, which builds a safe, predictable and supportive environment for all students, every day, including the extension of the Get GRIT program.
- PLL / ST:IE and Counsellor are involved in Enrolment Application to support students with identified needs and Student Support team meetings.

⁹ Alignment with National Catholic Safeguarding Standards: Standard 9 Continuous Improvement | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) sch 1 s 2(6)(a) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s20

Standard 10: Policy and procedures

Policies and procedures document how the entity is safe for children¹⁰

Brisbane Catholic Education's commitment to Standard 10

The Archdiocese of Brisbane Safeguarding Framework guides safeguarding practice across all Catholic entities, including BCE. The BCE Safeguarding Policy sits within this framework and is supported by a range of policies, procedures and guidelines designed to protect student safety and wellbeing. Under the BCE Policy Governance Framework, all policies are reviewed at least every three years through consultation, governance checks and formal approval. This ensures they remain current, reflect best practice and continue to support student safety, wellbeing and cultural safety. Consultation ensures policies reflect lived experience and meet the diverse needs of school communities. BCE is also working to make policies easier to understand and use, including creating child friendly resources. Policies and procedures are accessible to students, families, volunteers and third parties through BCE and school websites, and are available internally to employees through Spire. Safeguarding responsibilities are embedded in the BCE Leadership Capability Framework, ensuring leaders consistently communicate, model and apply policy requirements.

What Standard 10 looks like at our school:

- Our onboarding process for new staff at Holy Family Primary School includes a briefing on the location, content and application of safeguarding policies and procedures and we talk through how our school is a child-safe environment (i.e. how we meet the child safe standards day to day.)
- Our staff handbook outlines safeguarding procedures in relation to evacuation and risk procedures with step-by-step instructions and flowcharts.
- At Holy Family, our leadership team regularly reinforce key safeguarding procedures and model them in everyday practice - such as always signing in visitors, maintaining appropriate boundaries and documenting significant events.
- Holy Family's Leadership Team and Guidance Counsellor confer regularly on current student protection matters and ensure student safety remains a top priority, actions are clearly documented and that the Student Protection Contacts are responding to student protection matters in line with the Student Protection Processes and Guidelines.
- All staff at Holy Family complete an annual safeguarding refresher that includes scenario based learning, ensuring they understand how to apply policies in real world situations. This supports consistent implementation across the school.
- All people who volunteer at Holy Family receive a brief orientation before beginning their role, which reinforces the information they get in their mandatory training includes clear guidance on appropriate interactions, supervision expectations, and what to do if they are worried about a student. This helps ensure volunteers uphold the same standards as paid staff.
- Teachers incorporate reminders of key safeguarding practices into daily routines - for example, ensuring students know who the SPCs are at Holy Family by pointing out their photos on the SPC posters that are in each classroom, reviewing safe movement procedures, and modelling respectful communication.

¹⁰ Alignment with National Catholic Safeguarding Standards (NCSS): Standard 10 Policies And Procedures Support The Safety Of Children And Adults | Working with Children (Risk Management and Screening) Regulation 2020 (Qld) s 2 (3-6) | Education (Accreditation of Non-State Schools) Regulation 2017 (Qld)
