

UNISON

SCHOOL OF MUSIC

Nice to meet you! I'm James.

I'm excited to be working with Holy Family School in 2022 to deliver the Instrumental Programme for Guitar, Ukulele, Bass Guitar, and Drums. I had the opportunity to meet some of the students during lesson time with Donna W and I have to say I am impressed. The cohorts potential for development as musicians is promising. I am looking forward to working with such a bright bunch of kids in the new year.

A little about me - My undergraduate is in Music and Sound Engineering. I've been teaching privately for 6 years. When I'm not teaching I'm working on my own music or playing/rehearsing for other artists. Aside from music I love Coffee, Hiking and Skateboarding.

Unison Co School of Music was officially launched in term 1 2021. We have cultivated a growing family of diverse teachers and learners in our teaching space on the Northside of Brisbane.

Our goal is to develop well rounded musicians, preparing them for a life of meaningful and heartfelt engagement with music.

My teaching practise is underpinned by a strong sense of Exploration, Inquiry, Fun, and Discipline. I am dedicated to helping students develop as musicians but more importantly as people. We will focus on technical skills and theoretical concepts as well as interpersonal, collaborative and self-regulation skills.

I'd love to hear from you and answer any questions you might have ahead of term 1 2022. Send me an email or check out my website for more info.
